Industry Accreditation/ Industry Accreditation Plus 2026

General information

Professional representatives of the film, cinema and festival industry, professional filmmakers and actors can apply for an Industry Accreditation/ Industry Accreditation Plus.

Accreditation begins: August 10, 2026

Accreditation ends: September 16, 2026

Accreditation Requirements / Proof of Activity:

For professional representatives of the film, cinema, and festival industries:

- Relevant, up-to-date proof of activity, company profile, area of responsibility, and position within the respective company

For professional filmmakers (directors, screenwriters, etc.) and actors:

- A filmography, a link to your agency, and a currently maintained website—however, this does not replace the requirement to upload at least one document. Projects and activities from the past three years are particularly important for accreditation.

After checking the requested documents, the festival will decide on the accreditation. There is no legal entitlement to accreditation.

Accreditation fees

Industry Accreditation costs 120 euros.

Industry Accreditation Plus costs 150 euros at the early-bird rate through September 8, 2026. Starting September 9, 2026, the regular price of 200 euros applies.
